January 2018

## DIS Elite SWIMMING CARNIVAL

Tuesday 30th January 2018 was a great day for Elite. The Swimming Carnival was a wonderful success; a testament

to the fantastic work the children have been doing in class swimming lessons to prepare for the competition. Children supported each other very well in their events and had a fun time. Thank you to the volunteers and families who were involved on the day and to the dedicated staff for a huge effort with preparing the children and doing the organization for the event. We had a special guest in attendance, trained Australian Life Guard, Mr Piers Martin. Mr Piers has been providing First Aid and CPR training to Dewey staff for some time and we appreciate his support in helping keep our children and our community safe and healthy. Congratulations to all of our Elite super-swimmers who participated in our Swimming Carnival!

## Congratulations to BLADE Club member who won the first prize in BLADE’s first annual debate

Congratulations to BLADE Club member and DIU alumni Mr Chhoeung Sokhoeum on winning the first prize in BLADE's first annual debate. He won the amazing prize of a TWO WEEK ALL EXPENSES PAID TRIP TO THE USA!

## CONGRATULATIONS TO SESONG MALISA

Congratulations to SeSong Malisa, a grade 9 “B” student of Dewey International School, for her outstanding result in the Provincial Mathematics Exam, winning the 3rd place. Your success is a source of great pride for yourself, your family, and the school.

## What's inside

- 1 DIS Elite SWIMMING CARNIVAL
- 2 Congratulations to the BLADE Club member who won the first prize in BLADE’s first annual debate
- 3 Congratulations to DIS’s outstanding student who won 3<sup>rd</sup> in the Provincial Mathematics Exam
- 4 Student’s project presentation on “ASEAN Community”
- 5 2<sup>nd</sup> Quarter Exam in DIS-American Curriculum

## Student's project presentation on "ASEAN Community"

On the 28th February 2018, students of Dewey International School – American Curriculum in Romchek IV conducted a "Presentation on ASEAN Community". This project was initiated and coordinated by Mr. Ya Chanreaksmey, classroom teacher for Grade 5 in the American Curriculum, supported by many other staff members including, teachers, office personnel and IT. There were approximately 150 students from Grades 4 to 10 in the program who joined the event.

This event included the presentation, art performances, and a food fair. The intention was to raise awareness about cultural diversity, and to build up the students' knowledge about the ASEAN Community, as well as to equip students with basic skills in research. The students were proud of their presentation, and had lots of fun. It was important that they had time to express themselves through arts, performance, and food decoration. Students requested that such events be carried on to the next school year.

### 2<sup>ND</sup> QUARTER EXAM IN DIS-AMERICAN CURRICULUM

Students of Dewey International School – American Curriculum sat the second quarter exam. It was held over two consecutive days: 8th - 9th February 2018. Our senior management team strictly monitored the exams to ensure that students did their best and worked within the scheduled hours. The exams took place at Dewey International School, Romchek IV campus and more than three hundred students took part. The subjects of the exams included English Language Arts, Mathematics, Science, Social Science, Reading, Moral Education, Music and Art. All of the students were happy because they saw that the exams were well organized and cheating was not tolerated.

Please note: The academic year for Dewey International School – American Curriculum comprises four quarters and it runs from 15 August 2017 to 30 July 2018. Students will sit four quarterly exams to complete the academic year; they will then move on to the next grade if they score above average.
